**HUNTER PREP Shoot**

Get your hunting skills in shape with our HUNTER PREP shoot August 11&12. This shoot will feature hunting distance targets and some elevated stands for practice. This is for practice/field points only, NO BROADHEADS. As always, join us for great conversation, coffee, and breakfast/lunch. Last outdoor shoot of 2018!!

**Range/Property/Forestry Report:**

Attention TARGET OWNERS!! If you are no longer able to keep up the condition on your target, please let Mike Fortin or Tom Scott know. We have club members who are interested in becoming Target owners. Broadhead pits need special attention now for the league that began July 23<sup>rd</sup>.

Target owners, let a Range Captain know if you have an area cleared of buckthorn that would be a good planting spot for one or more of the seedlings as we need to get them in the ground soon. We still have White Pine, Norway Spruce, Black Cherry, and Maple.

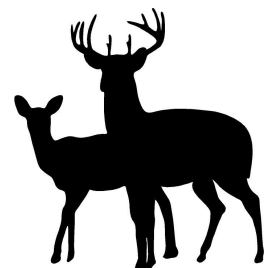

Burning/bonfire on the ranges? Call Bristol Fire Dept @ 262-857-4063 first. They will tell you if conditions permit burning.

Range note – if you use practice dots, please remove all when done, each time. Thanks!

BROADHEAD LEAGUE began July 23<sup>rd</sup>. There is still time to join if you are interested!! Sign up sheets in the clubhouse. When shooting Broadheads, bring masking tape to repair the targets as you go.

**DEER HUNTING SUCCESS???**

Be sure to record your successful buck/doe hunts (Big Game forms available on club website). You may get your name on our Club Big Buck and Big Doe trophies if you turn in a form. Also, if you have shot at any of the LBL shoots this year, you are eligible for their Big Buck award. Lastly, our club has a pool that you can join with the winner receiving all the pool monies – one for Big Buck and one for Big Doe. Sign up BEFORE hunting season (Wisconsin) begins on September 15th. See rules posted in Clubhouse. Put your \$10 per chance in the lockbox in the indoor range.

**Work Hours**

Please fill out your hours and drop in box at clubhouse (or email me, Cindy Kolanko – [aufinch@hotmail.com](mailto:aufinch@hotmail.com)) to get them recorded. **You can also print out the form at home from the club website.** Of special note, we need to document our Forest Management time and supplies in order to receive DNR reimbursement. Thank you!

More club news? Let me know!!
