**WOW – Awesome HUNTER PREP Shoot!!**

It was a great August weekend with dry weather (finally) and with over 90 shooters. Received good feedback about all the wonderful updates around the property. Was nice to see quite a few children with their parents/grandparents to shoot or just visit. Thanks to Mike Fortin for stepping up to host the shoot. Magic Mike has already stepped up to do it again next year!!

**ANNUAL Election Information**

Now is the time to start thinking of whether you have the time and interest to help at the club as an officer. Nominations are being accepted. Because of our recent by-laws changes, our election in February will be a little different. Officers will be 2 year terms, with some elected in an odd year (such as 2019) and some in even (such as 2020). Since this is a transition year, because the change occurred after our 2018 election, we will therefore vote as follows:

- 2 year terms for Vice-President, Treasurer, one Range Captain (2019 – 2021 term)
- 1 year terms for President, Secretary (Recording), Corresponding Secretary, and one Range Captain (2019 – 2020 term). In 2020, we will elect these positions to 2 year terms.

**Quarterly Board Meeting Report**

Board confirmed structure of 2019 election to conform to the March 2018 by-law change. Next Board Meeting will be prior to the February member meeting on February 6<sup>th</sup>.

**WELCOME – NEW MEMBERS**

Welcome to our newest Club members, Ken and Heather Peterson, sponsored by Andrew McFarlane. Be sure to say “hi” to them.

**Winter League News**

Our indoor winter league is beginning to organize. League meeting is set for Thursday, Dec. 20<sup>th</sup> at 7pm. The League will run Tuesday, Jan 8<sup>th</sup> through Thursday, March 14<sup>th</sup>. Consider volunteering to be a range safety officer and get some WORKHOURS!! Contact Gordon and Kathy Sobe for additional details.

### **Range/Property/Forestry Report:**

All MEMBERS – please double (triple!) check when leaving the property that you have LOCKED doors and gates behind you if no one remains on site. It has been noted recently that locks have been found to be **unlocked** at times. Please secure our club property!!

If you have items you think the club might be able to use, please contact Jim/Cookie PETERS first!! We want to make sure your item is needed. Please email them at [peterskurutz@aol.com](mailto:peterskurutz@aol.com) or be sure to ask one of the Range Captains (Tom or Mike) Thank you.

Attention TARGET OWNERS!! If you are no longer able to keep up the condition on your target, please let Mike Fortin or Tom Scott know. We have club members who are interested in becoming Target owners and/or to support you on target upkeep.

Target owners, let a Range Captain know if you have an area that would be a good planting spot for one or more of the seedlings - we need to get them in the ground before winter.

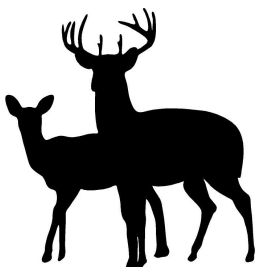

Range note – if you use practice dots, please remove all when done. Thanks!

### **4-H Archery Workshop – September 30, 10am to 2pm**

The Milburn Clovers 4-H group will be coming to our Club on September 30, for an archery workshop. The event introduces archery for the first time to many of the children and keeps the spirit alive in the returning 4-H participants and their parents. Typically, about 15-20 children and adults attend. A cookout is planned at the end of the event. Please consider helping at the event (**WORKHOURS!!**)!! You would be coaching the children and assisting with the other adults. We hope that they will enjoy their experience and perhaps come to shoot our Halloween novelty indoor shoot. Please contact Pete TARCHA at 847-356-7382(h) or 224-436-9483© if you can help. Special thanks to last year's workshop helpers Jim Peters and Phil Mastrianno.
